ABOUT CASUAL

BERMINI & JUNIOR BERMINI COLLECTION

Bermini & Junior Bermini was founded in 1999 by three young people as a family company in Denizli, Turkey. Since then, we have been continuing our production in the field of women's clothing since 2002 as B&J and Junior Bermini's clothing with 100% original design.

Bermini (women's) and Junior Bermini (children's), which are among the brands that were within BERMINI (CHILDREN), are completely produced in our own factory with original designs designed by experienced professional designers and with our dedicated team of employees.

Our products are going to many regions of Turkey and the world by complying the cultural and body size of the world's children through the cooperation companies that we establish in more than 70 countries such as Azerbaijan, Georgia, Ukraine, Poland, Romania, Russia, Serbia, Iran, Iraq, Algeria, Oman, Qatar, Turkey, Kazakhstan, Uzbekistan.

With its many, BERMINI (CHILDREN) continues its activities in its own store, where it makes wholesale sales by increasing its quality to higher levels every year with the teenage line suitable for the free spirits of our children around the world and with original designs. Please follow Güraç Collection for the happy production adventures that we are making toward the colorful and free lives of the children of the world.
